

Pre-Congress Workshop

Cadaveric Penile Implant Course

December 11, 2025

8:00 AM – 1:00 PM

Itqan - Clinical Simulation & Innovation Center
Doha- Qatar

This Cadaveric based hands on training offers a deep dive into penile prosthesis implantation.

What to expect:

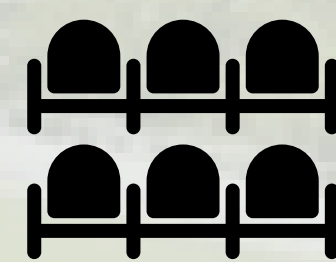

- Live-guided surgical practice on cadavers.
- Focused lectures and semi-live surgical footage.
- Tips and tricks from internationally recognized experts.

Ideal for urologists and andrologists seeking structured and practical learning in complex penile prosthetic surgery

Free to attend
